

UTSAV RAM

FULL STACK DEVELOPER

Location: Ahmedabad, Gujarat | Phone: +91 9510865372 | Email: ramutsav702@gmail.com | LinkedIn: [linkedin.com/in/utsav-ram-70301a281](https://www.linkedin.com/in/utsav-ram-70301a281)

SUMMARY

Full Stack Developer with 2+ years of experience building scalable web applications. Proficient in creating high-performance UIs using React and Next.js, developing Node.js/Express backend APIs, and managing SQL databases. Collaborative problem-solver experienced in writing clean code, conducting code reviews, mentoring peers, and partnering with cross-functional teams to deliver high-quality features on schedule.

SKILLS

Programming Languages:	JavaScript, TypeScript
Frontend Technologies:	HTML, CSS, SCSS, React.js, Next.js, Tailwind CSS, Bootstrap
Backend Technologies:	Node.js, Express.js, REST APIs, JWT Authentication
Databases:	MongoDB, MySQL, SQL
Developer Tools:	Git, GitHub, VS Code, Postman, Antigravity IDE
AI Tools:	ChatGPT, Claude, Cursor, Gemini

WORK EXPERIENCE

3i Webexperts Pvt Ltd | Ahmedabad, Gujarat
Full Stack Developer | Apr 2024 – Jun 2026

- Developed and implemented robust server-side application logic using Next.js, improving code reusability and overall system performance.
- Designed and maintained scalable backend architectures with Node.js and Express, significantly improving REST API efficiency and response times.
- Customized Shopify eCommerce stores by integrating themes and developing custom product-centric sections using Liquid, HTML, CSS, and JavaScript (including comprehensive modifications to the Horizon theme).
- Optimized application performance across the full stack, achieving faster server-side response times and reduced frontend rendering latency.

Tops Technologies - Training | Ahmedabad, Gujarat
Web Development Trainee | Jun 2023 – Mar 2024

- Completed hands-on training focused entirely on frontend web development, learning how to build interactive and user-friendly websites.
- Developed a strong technical foundation in HTML, CSS, and JavaScript to structure, style, and add functionality to web pages.
- Applied responsive web design principles using Bootstrap and Tailwind CSS to ensure websites look great and work perfectly on mobile phones, tablets, and desktops.
- Built dynamic and reusable user interface (UI) components using React.js.
- Learned how to connect frontend interfaces with APIs to display real-time data and create a smooth experience for users.

PROJECTS

Algo Trading Platform | Next.js, Node.js, Express.js, SQL, WebSockets, Angel One SmartAPI

- Developed a scalable, multi-client algorithmic trading platform enabling real-time market data streaming via WebSockets.
- Implemented core application features including client portfolio management, order placement, position tracking, bulk trading operations, and secure user authentication.
- Designed a robust multi-broker architecture to support simultaneous multiple client accounts and lay the groundwork for future integrations with major trading platforms like Zerodha, Groww, and Motilal Oswal.

Telecaller AI Platform | Next.js, Node.js, Express.js, SQL, REST APIs, OpenAI, Gemini, Claude, Twilio, Telnyx

- Engineered an AI-powered automated outbound calling platform by integrating multiple LLM providers and telephony services.
- Enabled intelligent customer interactions, dynamic AI-driven conversations, lead qualification workflows, surveys, and follow-up calls.
- Designed a scalable, multi-provider architecture allowing businesses to dynamically select AI models and calling providers based on operational budget and specific project requirements.

SQLMagic | Next.js, TypeScript, Tailwind CSS, MongoDB, Gemini AI

- Built an AI-powered SQL data exploration platform allowing users to upload SQL files or connect live databases for automated schema processing.
- Developed a natural language chat interface using Gemini AI to facilitate schema extraction, database conversion, and multi-session chat management.
- Created a scalable architecture enabling users to query and analyze complex datasets without manual SQL scripting, significantly enhancing data accessibility and insight generation.

EDUCATION

Bachelor of Commerce

Bhakt Kavi Narsinh Mehta University – Kodinar | Sept 2020 – Mar 2023

Higher Secondary Certificate

Shree S.P. Parmar School – Kodinar | Sept 2018 – Mar 2020

Secondary School Certificate

Shree S.P. Parmar School – Kodinar | Sept 2017 – Mar 2018
